The \$10,000 golf course at Pass Christian, Miss., was completed and opened last month. The course contains sixty acres of most adaptable land, lying on the south bank of Bayou Portage, and George O'Neil, the professional, who has charge of the links at the Beverly Country Club, Chicago, supervised all work.

There is a well arranged and equipped clubhouse, with separate apartments for women. The location of the course on the banks of a clear salt water stream adds much to their attraction, and affords splendid fishing grounds to those who visit the club and prefer the rod to the club. The course is located within a few minutes' walk from the business center.
